

**MasterShield™ Gutter Protection System
Transferable Limited Product Warranty**

This Transferable Limited Manufacturer Warranty ("Warranty") is provided by MGP Manufacturing LLC ("MGP") to you, the original purchaser ("You" or "Purchaser"). Safely store this Warranty for future reference. Warranties are available for inspection prior to signing of the sales agreement or purchase order.

INHERENT PRODUCT DEFECT – LIMITED LIFETIME WARRANTY

MGP warrants to You, the owner of the property at the time the MasterShield™ Gutter Protection system was installed, that the MasterShield™ Gutter Protection system will be free from defects in material and workmanship in the course of manufacture, and that the finish on the MasterShield™ Gutter Protection system will not crack, chip, or blister under normal use and maintenance, if installed according to MGP specifications, for as long as Your existing gutters are structurally intact and remain attached to Your property.

CLOG-FREE – LIMITED LIFETIME WARRANTY

MGP warrants to You, the owner of the property at the time the MasterShield™ Gutter Protection system was installed, that when installed according to MGP specifications, the MasterShield™ Gutter Protection system will keep gutters from becoming clogged and overflowing as a result of the interior of the gutter or downspouts becoming filled with debris, for as long as Your existing gutters are structurally intact and remain attached to Your property.

INSURED WATER DAMAGE – LIMITED LIFETIME WARRANTY

MGP warrants to You, the owner of the property at the time the MasterShield™ Gutter Protection system was installed, that, when installed according to MGP specifications, if proof of payment of a claim under Your homeowner's insurance policy is presented and verified to be directly related to water damage occurring from a clogged gutter interior resulting from failure of the MasterShield™ Gutter Protection system, MGP will refund to You the cost of Your actual homeowner's policy deductible, up to \$1,500.00. Any additional costs or expenses beyond this amount are Your responsibility. Such water damage must not have been partly or wholly the result of a condition existing prior to the installation of the MasterShield™ Gutter Protection system.

How to Obtain Warranty Service: All claims under this Warranty should be submitted in writing to the MasterShield™ Gutter Protection dealer that installed your MasterShield™ Gutter Protection system ("System"). The contact information for your dealer should be available on your original sales agreement or purchase order. If You are unable to contact the dealer that installed Your System, You should contact MGP at mastershield.com. In the event that the dealer that installed Your System is no longer available to inspect and/or repair the System, MGP shall use reasonable efforts to locate an alternative dealer, if available, to inspect the System. The alternative dealer may charge a service fee.

Any written warranty claim must include the reason for the claim and include a dated copy of this Warranty or a signed and dated copy of the original sales agreement or purchase order. Claims must be submitted promptly after discovery of the claimed defect and within the applicable warranty period. Upon receipt of a proper claim, MGP will schedule an appointment to inspect the premises and the warranty claim within a reasonable period of time after having received the claim. If after inspection, MGP determines that a valid claim exists under one or more of the warranties, MGP will repair, re-install, replace, or refund the purchase price of the failing product, at MGP's option. If MGP determines that the defective product or component cannot be repaired, MGP shall provide the Purchaser with a new product or component thereof and it shall be the responsibility of the Purchaser to arrange for and pay for installation. If MGP determines to replace any or all product(s), and if such product(s) as originally installed is/are no longer available, MGP shall have the right to substitute product(s) designated by MGP to be of equal quality. Replacement of a product or component thereof does not renew the warranty period. If, at MGP's option, a purchase price refund is conveyed to the Purchaser, then all warranties are terminated, and the repair, replacement, or removal of MGP products shall become the sole responsibility of the Purchaser. No warranties are valid unless and until the Purchaser has made full payment under the original sales agreement/purchase order and all addenda thereto.

How to Transfer These Warranties: Subject to the other terms and conditions contained in this Warranty, this Warranty is transferable by the Purchaser to a subsequent homeowner of the home where the System was installed. The Purchaser may transfer these warranties only once. To transfer these warranties, the Purchaser must, within 45 days of settlement, complete and provide MGP with a Warranty Transfer Application and payment of a \$49.00 transfer fee. Please contact MGP for the Warranty Transfer Application. Upon receipt of a properly completed Warranty Transfer Application and the payment of a \$49.00 transfer fee, and MGP's inspection and re-certification of the System (or waiver of such inspection and re-certification by MGP), this Warranty shall transfer to the subsequent homeowner. No other or further transfers of these warranties are permitted.

IMPORTANT CONDITIONS AND LIMITATIONS REGARDING YOUR WARRANTY ARE ON THE FOLLOWING PAGE. PLEASE REVIEW CAREFULLY.

What Is Not Covered: These warranties are granted by MGP to the Purchaser only and only materials manufactured by MGP and installed by MGP-approved dealers are covered by these warranties. MGP does not warrant the installation of any product or component thereof. It is the responsibility of the dealer that installed the System to ensure that the System performs as designed and has been properly attached to Purchaser's home without damaging the integrity of the System. In the event that MGP repairs or replaces the System, MGP shall only be responsible for providing replacement parts or components, and shall not be responsible for ancillary materials or the cost of labor to install the new System. All warranties assume normal and reasonable use of products or components. Minor color or textural variations from lot-to-lot of product are not product defects. These warranties do not cover any other damage, workmanship, or material failure including, but not limited to, damage caused by occurrences beyond the control of MGP, such as settlement of the building, failure of the structure (including foundations and walls), use of incompatible accessories, removal, repair, or re-installation of any MGP products or components by other than MGP-approved installers, normal weathering, corrosive effects of salt air and chemical pollutants, excessive wear, scouring due to cleaning, normal fading, deterioration of caulking compounds, fire, flood, lightning, high winds, windblown objects, earthquakes, hurricanes, ice dams, icicles and/or ice storms, hail, atmospheric conditions or weather of catastrophic nature as defined by the U.S. National Weather Service, other acts of God, intentional acts, unreasonable use, vandalism, harmful chemicals (including harmful cleaning compounds and pesticides), pollution, airborne stains, moss, mold, mildew, or algae; warping or distortion due to exposure to excessive heat sources; any blockage or obstruction that is determined to be below grade; or misalignment caused by foliage, tree limbs or ladders placed against the System. These warranties do not apply to damages due to or arising from the identification, detection, abatement, encapsulation, or removal of mold, asbestos, lead-based products, or other hazardous substances inside or outside of the structure being improved. These warranties also will not apply to damages resulting from the failure to provide reasonable maintenance. If replacement of the product or components thereof is required as a result of actions set forth in this paragraph, Purchaser shall be charged the full cost of the replacement product.

This Warranty shall not apply to (a) installation of the System on gutters hung with straps, on roofs with rubber membranes or on wood shake roofs that have been sealed subsequent to installation, (b) water runoff or overshooting, which may be caused by long or steep valleys or roof designs that cause high volumes of water to be concentrated on a small section of the System, (c) water dripping off the front drip edge or end caps, (d) the formation of icicles or the accumulation of snow and/or ice, (e) installations where gutters that are unprotected by the System are tied into gutters protected by the System, (f) where water will be filtered twice, (g) metal roofs that lack adequate snow guards, (h) any underground drain, (i) accumulation on the exposed surface of the System of silt or of debris resulting from the severe deterioration of roof shingles, and/or (j) any leaves, debris, or discarded foliage sitting on the hood of the System. MGP makes no representation regarding the elimination or prevention of ice formation with the installation of the System. It is normal to see icicles on the outside of the System. This condition can be severe where there is excessive heat loss from the roof. Please examine Your roof and eaves on a regular basis in cold weather and safely clear off any dangerous or overhanging icicles. In certain regions where moss, lichen, tree sap, or pine resin are prevalent in excessive amounts, or are often seen on your roof, the exposed surface of the System may require periodic maintenance to prevent organic build-up and minor runoff. New roofs, or roof shingles that have been cut, broken, ripped, or torn may cause roof tar to leak onto the System. In such cases the exposed surface of the System may require spot cleaning to eliminate any tar buildup.

Direct contact of aluminum portions of the System with certain dissimilar materials, or with water run-off from dissimilar materials, may result in corrosion to the System. Care should be taken to avoid contact between the System's aluminum and dissimilar materials including dissimilar metals, concrete, stucco, asbestos siding, pressure treated/pretreated lumber, roofing materials, or roofing systems containing metallic granules or strips, or corrosive non-metallic materials. Any System damage or defect resulting from contact with dissimilar materials shall not be covered by this Warranty.

What Voids These Warranties: Installation, removal, painting, sealing, repair, adjustment, tampering, or re-installation of any MGP products or components by other than MGP-approved installers voids any and all warranties within this Warranty, and MGP expressly disclaims any liability for any costs, defects, or damages with respect to such actions.

Remedies and Rights: These warranties of MGP products are the only express warranties provided by MGP. No representative, agent, or any other person (including dealers, retailers, distributors or contractors) has authority to assume or incur on behalf of MGP any obligation, liability, or responsibility in place of or in addition to these warranties. IN NO EVENT SHALL THE DURATION OF ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BE LONGER THAN THE DURATION OF OWNERSHIP AND OCCUPATION BY THE PURCHASER OF THE HOME ON WHICH THE MGP PRODUCT IS INSTALLED. EXCEPT FOR THE WARRANTY PROVIDED HEREIN, MGP MAKES NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF NONINFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. SOME STATES DO NOT PERMIT ANY LIMITATION ON THE LENGTH OF AN IMPLIED WARRANTY, AND THEREFORE THE IMMEDIATELY PRECEDING SENTENCE MAY NOT APPLY. MGP'S LIABILITY TO THE PURCHASER UNDER THIS WARRANTY IS LIMITED TO THE AMOUNTS RECEIVED BY MGP FOR SERVICES RENDERED UNDER THE SALES AGREEMENT OR PURCHASE ORDER WITH THE PURCHASER. IN NO EVENT SHALL MGP BE OBLIGATED OR LIABLE FOR INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND FOR THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTY OF MGP'S PRODUCT. SOME STATES DO NOT ALLOW EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, AND THEREFORE SOME OR ALL OF THE IMMEDIATELY PRECEDING SENTENCE MAY NOT APPLY. THESE WARRANTIES PROVIDE SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.
